## ***Jysk landsbyudvikling i Nepal for Madi Girl Power*** **Vacancy post**

### **About the project**

Madi Girl Power is a women empowerment project for high school female students of Jana Jiwan School. It focuses on skills and capacity building programs with training and mentorship. It is targeted for 10 young female students of grade 11 and 12 of Jana Jiwan School in Madi, Chitwan. The students will get training for 1 year with a mentorship of 6 months from strong Nepalese females with various backgrounds. The main aim of this project is to make young women capable and independent in terms of their career choice by giving them practical training with the right mentors.

For the project we are hiring people for two positions at the moment. Details available below.

**Duty Station:** Madi, Chitwan, Nepal
